

ENTERPRISE AGREEMENT

We, MOTEURS LEROY-SOMER®, designers, manufacturers and distributors of LEROY SOMER category 2 and 3 motors for EXplosive gas and dust ATmospheres certify that: Mr **Frank Johansen**

of the company:

ELECTRO CARE
2400 Copenhagen NV
DENMARK

has passed the audit to repair LEROY-SOMER category 2 and 3 motors for EXplosive gas and dust ATmospheres

Trade names of the ranges concerned:

- 0.18 to 400 KW FLSD (EExd or EExde)
- 0.37 to 45 KW FLSE (EExe)
- 0.18 to 55 KW LSE (EExe)
- 0.18 to 400 KW FLSN EExnA)
- 0.09 to 160 KW LSN (EExnA)
- FLSPX (IP 55 and IP 65 dust) from 0.18 to 400 KW
- LSPX (IP 55 and IP 65 dust) from 0.18 to 400 KW

We therefore renew authorization to Mr **Frank Johansen** to carry out the repair and maintenance of category 2 and 3 motors himself or under his own responsibility.

This agreement shall take effect on the date it is signed and shall be renewed in june 2010 provided that a satisfactory audit has been carried out by someone from LEROY SOMER;

The company's agreement shall be withdrawn with immediate effect and without compensation in the following instances:

- Cancellation of the Service Centre's partnership contract,
- Departure, for whatever reason, of the Service Centre technicians who have taken part successfully in the training course organised by MOTEURS LEROY-SOMER®.
